Curriculum Vitae

January 31, 2020

Education / Degrees

- 1988 Ph.D., City Planning. Istanbul Technical University.
Dissertation: Spatial Distribution of Manufacturing Industry in Metropolitan City Centers.
- 1981 M.A., Urban Planning and Design. Istanbul Technical University, two-year program.
Thesis: Downtowns of Small Towns in Transition. Study of urban design issues with emphasis in historic preservation and urban redevelopment. Selected coursework included: Theories/methodologies of urban design and urban planning; land use and transportation planning; new town policies; urban sociology; and landscape design.
- 1979 B. Arch., Architecture. Istanbul Technical University, five-year professional program.
Diploma Project: National Convention Center in Istanbul. Other selected studio projects included: Town planning and historic preservation; social housing; multi and single family residential; institutional and industrial complexes.

Professional License

- 1979 - present Licensed Architect.
Chamber of Architects, Turkey. License Number:10509

Academic Positions

- 2017 - present Graduate Program Coordinator, Master of Environmental Planning and Design, College of Environment and Design, University of Georgia, Athens, Georgia.
- 2010 - present Athletic Association Professor, College of Environment and Design, University of Georgia, Athens, Georgia.
- 2009 - 2010 Professor, Department of Planning and Landscape Architecture, College of Arts, Architecture, and Humanities, Clemson University, South Carolina.
- 2004 - 2010 Director, Landscape Architecture, College of Arts, Architecture, and Humanities, Clemson University, South Carolina.
- 1997 - 2009 Associate Professor, Department of Planning and Landscape Architecture, College of Arts, Architecture, and Humanities, Clemson University, South Carolina.
- 1994 - 1995 Visiting Assistant Professor, Department of Planning and Landscape Architecture, College of Architecture, Clemson University, South Carolina.
- 1993 - 1994 Adjunct Professor, Department of Planning Studies, College of Architecture, Clemson University, South Carolina.

1981 - 1989 Assistant Professor, Department of Urban and Regional Planning, College of Architecture, Istanbul Technical University.

Other Professional Employment

1996 - present Private Consultant

1995 - 1996 Project Director/Planner, Scheurer Architects, Inc. Newport Beach, California.

1995 Project Director, The KTG Y Group, Architecture/Planning/Environmental. Irvine, California.

1991 - 1993 Project Director, C.Y.P. Inc., Architecture and Planning, Irvine, California.

1989 - 1991 Senior Planner, C.Y.P. Inc., Architecture and Planning, Irvine, California.

1979 - 1989 Private Practice, Istanbul, Turkey.

2012 Received \$3,000 grant for the development of First-year Odyssey Seminar

RESEARCH AND CREATIVE ACTIVITIES

Publications

Books Authored

2005 Wagner, L., Yilmaz, U., Shelburne, V., Waldvogel, J., and Haque, M. 2005. The Nature of Clemson: A Field Guide to the Natural History of Clemson University. Clemson, SC: Clemson University Digital Press.

Chapters in Books

2006 Yilmaz, U. and Nadenicek, D. A. Community Life and Places of Death. Book Chapter in From the Studio to the Streets: Service-Learning in Planning and Architecture. Eds. M. Hardin, R. Eribes, and C. Poster, published by Stylus Publishing, VA.

Peer-reviewed Journal Articles

2019 Erduran, F., & Yilmaz, U. ATHENS'DEN KENT ORMANI ÖRNEĞİ. International Journal

of Tourism, Economic and Business Sciences, 2, 328-335.

2001 Yilmaz, U. and Tai, L. Between the Pen and the Mouse. Representation 2000 - Journal of Design Communication Association 44-49.

Other Professional Journal Articles

None

Peer-reviewed Papers in Published Conference Proceedings

2005 Yilmaz, U. Flowing for the Future. European Council of Landscape Architecture Schools (ECLAS) Conference Proceedings. Ankara, Turkey.

2005 Yilmaz, U. Learning from Public Participation. Proceedings of the Life in the Urban Landscape International Conference for Integrating Urban Knowledge and Practice. Gothenburg, Sweden.

Other Papers in Published Conference Proceedings

None

Bulletins or Reports [written reports to clients, published planning reports, etc.]

2018 Rivero, R., Yilmaz, U., & Crowley, J. Deerwood Lake Planning Studio Report: Deerwood Lake Planning Studio Report.

Book Reviews

2008 Yilmaz, U. Invited book review submitted to Landscape Journal. Design First: Design-based Planning for Communities. By David Walters and Linda Luise Brown.

2004 Yilmaz, U. Invited book review in the Journal of Planning Education & Research. Of States and Cities: The Partitioning of Urban Space, eds. P. Marcuse and R. van Kempen. JPER, Volume 23.4 Summer 2004.

Articles in Non-professional Publications

2004 Yilmaz, U. Springwood and Richland Cemeteries Master Plan Report, Greenville, SC. http://www.greatergreenville.com/neighborhoods/master_pl/project.pdf

2002 Yilmaz, U. A New Dimension in Service Learning. The Palmetto Press, Newsletter of South Carolina Chapter of the Society of Landscape Architects, Volume 16, No. 1 Winter 2002.

2000 Yilmaz, U. and L. Tai, From the Landscape Architecture Design Studio: Suggesting a Different Highway. MIRARE, Volume 5, Issue 2, Spring 2000.

1999 Yilmaz, U. Future Uses for the Morrison Annex Site: A Public Service Project. MIRARE, Volume 5, Issue 1, Fall 1999.

- 1999 Tai, L. and U. Yilmaz. Alternative Approaches to the Landscape Architecture Studio. MIRARE, Volume 4, Issue 2, Spring 1999.
- 1999 Yilmaz U. An International Experience. MIRARE Volume 4, Issue 1, 1999.

Reviewing/Refereeing: Journals and Conferences

- 2019 Peer review for the Journal of Planning History.
- 2018 Peer review for the 2nd International Congress on Tourism, Economic and Business Science (IC-TEBS)

Creative Contributions Other than Publications

Design projects performed as individual consultant

- 2019 Site planning and design services for the Taskopru Museum for the Mayor of Taskopru Municipality, Turkey
- 2012 Architecture and Site Design for Wormsloe Plantation, Savannah, GA.
- 2002 Master plan and site plan for a residential cluster development, Clemson, SC. (With D. Collins and H. Harritos).
- 2001 Conceptual landscape design proposal for the intersection of US 52 and I-95 in Florence, SC in honor of State Senator Hugh Letterman. (With D. Collins).
- 2001 3-D computer modeling for Mount Tabor Baptist Church, Clemson, SC (with H. Harritos).
- 2000 Master plan for Mount Tabor Baptist Church, Clemson, SC (with H. Harritos).
- 1999 Architectural and landscape design for a private residence, Clemson, SC.
- 1999 Conceptual site plan alternatives for the Highway 93/Old Greenville Highway Linear Park. Clemson, South Carolina (with D. Collins and H. Harritos).
- 1998 Zekeryakoy Village P.U.D. Istanbul, Turkey. 135-acre Community Plan-Subdivision.
- 1997 Conceptual site plan study for Ultima Holdings. Clemson, South Carolina. 600-bedroom student community (with D. Collins.)
- 1997 Gunay Residence Landscape Plan. Irvine, California. Landscape design for single-family house.
- 1997-99 Kapalua, Hawaii. Site design for 23.5-acre residential community.*
Aventura Lakes, Miami, Florida. Conceptual site design for 160-acre lake front community. Credit: Scheurer Architects, Inc. Newport Beach, CA.
- 1996 Bayshores Community Architectural Design Guidelines, Newport Beach, California.

Credit: Scheurer Architects, Inc. Newport Beach, CA.

1996 Sun Valley Recycling Park, Sun Valley, California. Landfill Site, approximately 210 acres. Conceptual Site Plan designating approx. 50 acres of buildable pad area, approx. 160 acres of Open Space, vehicular circulation and existing and proposed grading for Rust Environment & Infrastructure, Greenville, SC.

Design projects through Clemson University

2005 Clemson University Restoration Institute (CURI) Conceptual master plan.

997 Mars Hill Design Charrette, Mars Hill, NC. Design team member.

1997 Cashiers Design Charrette, Cashiers, NC. Design team member.

Design projects through Scheurer Architects, Inc. Newport Beach, CA.

In charge of the design and coordination of all planning and landscape architecture projects and preparation of digital presentations.

1996 Summerlin, Parcels O and C, Las Vegas, NV: 39 ac. residential;

1996 The Shores, Newport Beach, CA: 30 ac. residential in-fill;

1996 Evergreen, San Jose, CA: 12.5 ac. residential, 176 du.;

1996 Grayhawk, Scottsdale, AZ: 30 ac. residential;

1995 Sunridge, NV: 25 ac. residential, 368 du.;

1995 Seven Peaks, UT: 24 ac. residential;

1995 The Waterfront, Huntington Beach, CA, Hilton Resort campus;

1995 Stonedged at Troon North, AZ: 14 ac. Residential, 87 du.

Design projects through the The KTG Group, Architecture/Planning/Environmental. Irvine, California.

1995 Responsible for directing and designing: land use, master plan and conceptual landscape projects, site plans for residential, commercial and resort developments.

Design projects through C.Y.P. Inc., Architecture and Planning, Irvine, California.

1991 – 1993 Responsible for directing and designing: land use, master plan and landscape projects, site plans for residential, commercial and resort developments both in the US and abroad.

Selected international projects include:

Master Plans:

New Village, Mexico: 1,000-acre new town.

Ballenstedt Resort, Ballenstedt, Germany: 185 acres.

Children's Bay Cay, Exuma, Bahamas: 225-acre resort.

Le Ruscello Hotel and Country Club, Fraforeano, Italy: 168-acre resort.

Land Use Plans:

Batam Resort, Batam, Indonesia: 800 acres.

Talvas, Ohara, Japan: 540-acre golf community.

Site plans:

Golden Ring South, Moscow, Russia: 75-acre residential.

Villas at Real Del Mar, Real Del Mar, Mexico: 14.3-acre residential.

Selected projects in the US include:

Residential Site plans:

Waterford, San Jose, California: 55.86 acres.

Seacliff Villas, Richmond, California: 33 acres.

Marina Bay Townhomes, Richmond, California: 15 acres.

The Club, Rancho Cucamonga, California: 15.8 acres.

The Villas, Aliso Viejo, California: 13.2-acre site.

Villa Point, Newport Beach, California: 14 acres.

Highlander Estates, California: 48 lots, hillside development.

Rancho Cielo, California: 52 lots, hillside development.

1989 – 1991 Responsible for planning and designing: residential sites, conceptual grading and landscape projects.

Selected projects in the US include:

Capitol Expressway, California: 12.7 acres.

Legacy Golf & Racquet Club, Green Valley, Nevada: 33 acres.

Planning Areas, 17&19, San Clemente, California: 28 acres.

Redwood Shores, California: 12.8 acres.

Sterling Greens, California: 21 acres.

The Island, Moreno Valley, California: 21 acres

Consultations and outside contracts

2003 - 2008 Consultant to the Academic Council of the Department of Urban and Regional Planning at Istanbul Technical University for the quality improvement process of the department.

Exhibited or Published Artwork

2012 MEPD Goes Abroad: Circle Gallery Exhibit with Jack Crowley at the College of Environment and Design.

Grants Received for Research

2018 UGA Laboratory Enhancement Fund, Office of the Vice President for Information Technology (VPIT)., November 1, 2018–Present, Amount: \$ 79,114. Funding type: Research.

2008 International Parallel Studio Project - Principal Investigator.
\$17,500 grant— Clemson Advancement Foundation for Design + Building,

2006 - 2010 Gated Communities, Distribution, and Governance - Co-investigator.
International collaborative research project partly funded by Istanbul Technical University.

- 2007 Clemson University Undergraduate Research Grant - Principal Investigator.
\$2,500 grant— Walkable Communities in South Carolina
- 2006 Clemson University Undergraduate Research Grant - Principal Investigator.
\$2,500 grant— Walkable Communities in South Carolina
- 2006 City of Clemson Research and Public Service Project - Principal Investigator.
\$7,500 grant— Developing an Interactive Digital Tool for Planning and Codes
Administration. On hold.
- 2005 Clemson University Undergraduate Research Grant - Principal Investigator.
\$5,000 grant— Walkable Communities in South Carolina
- 2004 Clemson University Undergraduate Research Grant - Principal Investigator.
\$5,000 grant— Walkable Communities in South Carolina
- 2002 Sustainable Universities Initiative, with Lisa Wagner, Mary Haque, Jerry Waldvogel - Co-
investigator.
\$10,000 grant—The development and publication of a field guide to the Clemson
University habitat.
- 2002 Clemson University Innovation Fund, with Lisa Wagner, Mary Haque, Jerry Waldvogel,
and Vic Shelburne - Co-investigator.
\$20,300 grant—A Natural History Guide to the Clemson University Campus.
- 2000 McClure Endowment Funds, Clemson University, with S. Wang - Co-investigator.
\$1,000 grant—Graphic representation of special depth.
- 2000 McClure Endowment Funds, Clemson University, with L. Tai - Co-investigator.
\$3,500 grant—A toolkit: Innovative Teaching.
- 1999 Sustainable Universities Initiative Grant, with J. London and J. Jacques, Clemson
University - Co-investigator.
\$9,950 grant—Research on sustainable development and the built environment.
- 1999 National Geographic Society Grant, with W. Young and W. Burnett, M. Dirksen, and R.
Al-Baqain - Co-investigator.
\$17,725 grant—Modeling Resource Use and Village Settlement on Jordan's Karak
Plateau.
- 1999 Goldenview Neighborhood User Needs Analysis and Morrison Elementary Annex
Feasibility Study, Clemson, SC - Principal Investigator.
Research project sponsored by the City of Clemson.
- 1998 McClure Endowment Funds, Clemson University - Principal-investigator.
\$2,500 grant—KRP research in Jordan.
- 1998 Platform for Collaboration Fund, Clemson University - Principal Investigator.
\$2,850 grant— Collaborative/interactive teaching.

- 1997 Advanced Technology Center Grant, Clemson University - Principal Investigator.
\$1,640 grant—Multimedia documentation of student projects.
- 1983 – 1984 Prevention of the Environmental Pollution in the Izmit Bay Area: Impacts of Existing Land Uses - Co-investigator.
Co-director of research and co-author of final report for the project sponsored by the Permanent Undersecretary of the Environmental Affairs, Turkish Prime Ministry.
- 1980 Children’s Play Areas in High Density Residential Neighborhoods in Istanbul - Co-investigator.
Director of field survey, co-designer of the project, and co-author of the final report for project sponsored by the Turkish Touring and Automobile Association.
- 1979 Spatial Distribution and Locations of Historical Fountains in Istanbul’s Historic Urban Landscape - Co-investigator.
Director of field survey; co-author of the final report for the project sponsored by the Greater Istanbul Metropolitan Area Municipality.
- 1979 Safranbolu Historic Town Preservation Plan - Co-investigator.
Director of field survey and documentation.
- Non-funded projects:
- 2006 - 2010 Historic Preservation of Public and Private Urban Squares by Bosphorus, Istanbul - Principal Investigator.
International collaborative research project.
- 2006 - 2010 Gated Communities, Distribution, and Governance - Co-investigator.
International collaborative research project partly sponsored by Istanbul Technical University.
- 2006 - 2010 Sinan as a Landscape Architect - Co-investigator.
International collaborative research project.
- 1999 Teaching Between the Mouse and the Pen - Co-investigator.
Research on the integration of computers in the design studio. With L. Tai.

Recognitions and Outstanding Achievements

Scholarship and Recognition

- 2013 Featured on UGA’s Focus on Faculty.
- 2012 Commencement Speaker for the 2012 graduation ceremony at Istanbul Technical University, Turkey.
- 2006 Award of Recognition for Outstanding Contributions in the Department of Landscape Architecture, Istanbul Technical University, Turkey.
- 2006 Fulbright scholarship.

Awarded for the “Integration of Service Learning and Community Participation in the Landscape Architecture Design Curriculum”. Taught participatory design studios and conducted collaborative research at Istanbul Technical University, Turkey.

- 2005 South Carolina Wildlife Federation Communication Award for the Nature of Clemson: A Field Guide to the Natural History of Clemson University. By Lisa Wagner, Umit Yilmaz, Victor Shelburne, Jerry Waldvogel, and Mary Haque.
- 2004 CELA (Council of Educators in Landscape Architecture) Award of Recognition for Excellence in Teaching, Research, and Service.
This international award recognizes excellence in teaching, research and service among faculty of the eighty-four CELA member universities. Up to two awards are presented annually.
- 2004 South Carolina Chapter of the American Planning Association (SCAPA) Outstanding Planning Project Award: The Springwood and Richland Cemeteries Master Plan. Principal Investigator. Outstanding Planning Project Award in the Large Jurisdiction category, given to one project in South Carolina every two years.
- 2003 South Carolina Chapter of the American Society of Landscape Architects Outstanding Professional Achievement Award: The Reedy River Master Plan. Chief designer for collaborative project.
- 2002 SCAPA (South Carolina Chapter of the American Planning Association) Outstanding Planning Project Award: The Reedy River Master Plan. Chief designer for collaborative project. Outstanding Planning Project Award in the Large Jurisdiction category, given to one project in South Carolina every two years.
- 1985 – 1986 Turkish Government Scholar at University of California, Los Angeles (UCLA).

Teaching

- 2007 CELA (Council of Educators in Landscape Architecture) International Award of Recognition for Excellence in Studio Teaching in Landscape Architecture.
This international award recognizes excellence in design studio teaching among faculty of the eighty-four CELA member universities. It is an award that recognizes the awardee’s ability to direct studio projects that demonstrate outstanding quality and/or emphasize the critical thinking, creative process. Up to two awards are presented annually.
- 2005 The Clemson University Alumni Master Teacher 2005 Award.
Each spring, Student Alumni Council coordinates the nomination and selection process of the Alumni Master Teacher Award. This award is given in recognition of outstanding undergraduate teaching. The Master Teacher receives a \$2500 stipend, and is recognized at May graduation where he/she is presented with the Alumni Master Teacher award plaque.
- 2001 2001 Prince Award for Innovation in Teaching, Clemson University.
\$10,800 monetary award for purchasing books to be added to Gunnin Architectural Library collections and \$1,000 stipend.
The annual award, named for President Emeritus Philip Prince of Mount Pleasant, is supported by an endowment established in 1994 by Student Government with a \$200,000 grant from the athletic department. The honor includes \$1,000 for the recipient and a gift of the recipient’s choice for the University’s library. This award recognizes the teachers who are continuously using cutting edge techniques to attain excellence in teaching.

Service

2006 Award of Recognition for Outstanding Contributions in the Department of Landscape Architecture, Istanbul Technical University.

2006 State of South Carolina Certificate of Service. In recognition of ten years of loyal and faithful service to the citizens of South Carolina.

2004 Clemson University College of Architecture Arts and Humanities Award for Outstanding Achievement in Service.

Faculty Excellence

2008 2008 Board of Trustees Award for Faculty Excellence, Clemson University. The Board of Trustees Award for Faculty Excellence was instituted to recognize the outstanding achievements of Clemson faculty.

2007 2007 Board of Trustees Award for Faculty Excellence, Clemson University.

2006 2006 Board of Trustees Award for Faculty Excellence, Clemson University.

2005 2005 Board of Trustees Award for Faculty Excellence, Clemson University.

2003 2003 Board of Trustees Award for Faculty Excellence, Clemson University.

2001 2001 Board of Trustees Award for Faculty Excellence, Clemson University.

International Urban Design Competitions

1987 2nd prize (Yilmaz, U. et al.): Istanbul Uskudar Historic Town Square. 48-acre site, market place-plaza, boat terminal, bus terminal, office-retail.

1987 Honorable mention (Yilmaz, U. Suher, H., Suher, E.): Istanbul Taksim Square. 80-acre site, national museums, 95-room hotel, business center, performing arts center, underground parking, civic plaza, and major public transportation terminal.

Architectural Design Competitions

1985 2nd prize (Yilmaz, U., Suher, H., Suher, E.): National Reassurance Insurance Company Headquarters. 180,000 SF office complex.

Site Design Competitions

1984 2nd prize (Yilmaz, U. et al.): Gallipoli Monumental Site and WW I Memorial Monument. 65-acre historic site, war memorial, and Alcitepe memorial open-air museum.

1984 Honorable mention (Yilmaz, U. et al.): Ertugrul Bay Monument Site. 38-acre historic site, Ertugrul Bay Memorial open-air museum.

1983 3rd prize (Yilmaz, U. et al.): Izmir Ataturk Monument Site. 225-acre historic site, open-air museum, memorial site, and botanical gardens.

Student Design Competitions (Own work)

1981 Aga Khan, Student Competition: Honorable Mention (Yilmaz, U., Yilmaz, A.) Cumalikizik 2007. A Vision Study for an Early Ottoman Village dating from 1100s.

Student Projects Competitions (Students' work)

2005 Honorable Mention—Buckwood Village Greenville, SC Master Plan. Congress

- 2011 MHP theses, Member of reading committee: 2 students
MEPD thesis, Member of reading committee: 2 students
- 2010 MEPD thesis, Member of reading committee: 3 students

Editorship or Editorial Board Membership

Reviews of proposed individual papers for journals and conferences

- 2008 International Landscape Architecture Symposium (ILAS) to be held August 9-12, 2009 in Istanbul. Symposium Submittal review and selection committee member.
- 2008 Manuscript reviewer. International Journal of Urban and Regional Research.
- 2007 Manuscript reviewer. 6th International Symposium on Space Syntax, 12-15 June, 2007, Istanbul.
- 2007 Manuscript reviewer. ARI-An Interdisciplinary Journal of Physical and Engineering Science.
- 2002 Manuscript reviewer. Council of Educators in Landscape Architecture (CELA) annual conferences.

Convention Papers Presented without a Published Counterpart

- 2019 Yilmaz, U. Learning and Scholarship Beyond Boundaries. Research paper presentation at CELA National Conference in Sacramento, CA.
- 2018 Nemutlu, F. E., & Yilmaz, U. Athens'den Kent Ormani Örneği. In International Congress On Tourism, Economic And Business Sciences Conference. Kartepe, Kocaeli, Turkey.
- 2018 Nemutlu, F. E., & Yilmaz, U. (2018). Environmental Solutions for Stream Restoration in Urban Planning. In The 2nd International Congress on Tourism, Economic and Business Science (ICTEBS). Kartepe/Kocaeli Turkey.
- 2018 Nemutlu, F. E., & Yilmaz, U. Kentleşmede Yağmur Bahçesi'nin Önemi: Eskişehir Örneği. In Uluslararası Su ve Çevre Kongresi. Bursa, Turkey.

SERVICE

Service in University of Georgia College of Environment & Design

- 2019 CED Strategic Plan Subcommittee - Vision and Mission
- 2019 CED Strategic Planning Committee
- 2019 CED Branding Committee
- 2019 Communications Subcommittee for CED50
- 2019 CED50 Book Committee
- 2019 CED50 Logo Design Committee
- 2018 CED Appeals Committee
- 2015-present CED PhD Admissions Committee
- 2015-present Scholarship Awards Committee
- 2015 CED Lecture Series Committee, AY 2016
- 2013-present College of Environment and Design Faculty Technology Committee Member
- 2013-present The College of Environment and Design web page design

2013	College of Environment and Design Faculty Search Committee Member
2012	Exploratory Committee for New Architecture Program
2011-present	College of Environment and Design Tenure and Promotion Committee Member
2010-2012	College of Environment and Design Faculty Search Committee Chair
2010-2012	College of Environment and Design New Ph.D. Program Committee Member
2010-2012	College of Environment and Design Technology Committee Member

Service in University of Georgia

2017	Search Committee - Dean of the College of Environment and Design
2015	The University of Georgia, Committee for Dean Nadenicek's Administrative Review. Member
2010-2012	The University of Georgia, President's Faculty Advisory Committee Member

Previous University Service (Clemson University)

2006-2008	Clemson University IT Council Member.
2001	Director of Clemson University Sandhill Research and Education Center Search Committee Member.
2000-2007	Clemson University Master Planning Task Force Committee Member.
2000-2004	Clemson Learning Environment (CLE) Advisory Board Member.

Previous College Service (Clemson University)

2009-2010	College of Architecture Arts and Humanities Dean Search Committee Member - Elected.
2005-2010	College of Architecture Arts and Humanities (AAH) Digital Media Lab Committee Member.
2005	College of Architecture Arts and Humanities (AAH) Awards Committee Member.
2003	International Faculty and Student Exchange Program Initiation between Istanbul Technical University and Clemson University. Ad-Hoc Committee Member.
1997-2000	College of Architecture Arts and Humanities (AAH) Honors and Awards Committee Member.
1999-2010	College of AAH Lee Hall Technology Committee, Chair.
2001-2010	College of AAH Interdisciplinary Ph.D. Environmental Design and Planning Task Force Committee Member.
2000-2001	College of AAH International Academic Experience Task Force Committee Member.
1999-2000	College of AAH Ad Hoc Committee member for reviewing the design for Lee and Lowry Halls Courtyard.

Previous Department Service (Clemson University)

2008-2010	Planning and Landscape Architecture Peer Review Committee Member - Elected.
2005-2006	Planning and Landscape Architecture Department Head Evaluation Committee Chair.
2004-2006	Ph.D. Program Admissions Committee Member.
2004-2008	Landscape Architecture Exit Project Committee Member.
2004-2008	Department Faculty Search Committee Member.

2004-2007	International Programs Committee Member.
2004-2010	Public Relations and Publicity Committee Member.
2004-2010	Fund raising, Grants and Budget Alumni and Professional Relations Committee Member.
2002-2008	Planning and Landscape Architecture Peer Review Committee Member.
2002-2004	Construction Science Management Peer Review Committee Member.
2001-2006	Landscape Architecture Curriculum Committee Member.
2001	Landscape Architecture Faculty Search Committee Chair.
2000	Department Chair Search Committee Member.
1997-2010	Landscape Architecture Program Awards Jury Member.

Provision of Professional Information and Advice

2012	Juror for the inaugural International Student Design Competition for late Prof. Kemal Ahmet Aru, the founding member of the City and Regional Planning program area in ITU, Turkey
1998	Jury member. Diploma projects submitted for the 7th International student design competition at St. Petersburg State University, Russia. In conjunction with the \$7,500 grant received from Clemson University Russian Studies Grant.

Service to Public Agencies

2012	Atlanta Highway Area Land Use Assessment and Master Plan. A service learning project in Athens, GA
2010	Master planning and design for a sustainable residential/agricultural site in Covington, GA
2000	Blitz Build Housing project for Habitat for Humanity, Clemson, SC.
1999	The SCASLA Landscape Architects Centennial Park: An Accessible Garden for All, Clemson University, SC.
1999	Space Analysis and Design Proposals for the City of Clemson Public Works Site, Clemson, SC.
1998	Design Standards for Sensory Gardens for the SC School for the Deaf and Blind, Spartanburg, SC.
1997	Laurens County Multi-cultural Center, Laurens, SC.

Evaluation of Work of Faculty at Other Universities

2014	External Scholarly Reviewer, Promotion and Tenure. Department of Landscape Architecture, Temple University, School of Environmental Design. Promotion to Full Professor.
2013	External Scholarly Reviewer, Promotion and Tenure. College of Architecture, Planning and Design, Kansas State University. Tenure and promotion to Associate Professor.

2005 External Scholarly Reviewer, Promotion and Tenure. Department of Landscape Architecture, University of Arkansas. Tenure and promotion to Associate Professor.

Organization or Moderation of Conference Workshops

2010 European Council of Landscape Architecture Schools (ECLAS) Conference, to be held in Istanbul. Organization committee advisor.

2010 10th International Conference on Urban History to be held in Istanbul. Organization committee member.

2008 International Workshop for Innovation in Education of Landscape Architecture through multi-disciplinary dialogue: Exploration of in between pedagogy, science and practice languages “together.” Bilkent University, College of Fine Arts, Design and Architecture, Ankara. June 19-21, 2008. Organization committee member.

2003 CELA National Conference in Charleston, South Carolina, hosted by Clemson University. Participated in departmental organization efforts as faculty member.

2002 New Paradigms. The Design Communication Association (DCA) National Conference in Clemson. Conference and workshop organization committee member.

2008 Invited presentation “Service Learning and Study Abroad Education in Landscape Architecture.” International Workshop for Innovation in Education of Landscape Architecture through multi-disciplinary dialogue: Exploration of in between pedagogy, science and practice languages “together” held at Bilkent University, College of Fine Arts, Design and Architecture, Ankara. June 19-21, 2008.

2008 Workshop organizer. International Parallel Studio Project Workshop for Clemson landscape architecture students at Istanbul Technical University, in collaboration with Istanbul Technical University.

2006 Workshop co-chair and participant. International Summer Workshop at Istanbul Technical University, Landscape Architecture Program: Explorations in Textures and Materials.

2004 Participant in the “International Summer Workshop II: Architecture of the City: Its Past & Future.” Workshop sponsored by HREC (Housing Research and Education Centre) Istanbul Technical University, Turkey 28 May-4 June 2004.

2003 Member of the International Study Team of “Domino Development” Community Engagement for South Carolina Rural Revitalization. Sponsored by Clemson Institute for Economic and Community Development, funded through a W.K. Kellogg Foundation Grant.

External Funds Received for Service

2019 ILK Alliance, LLC, An Agriculture Connected Community Development in Jackson County, \$1,500.

2016 Preservation Master Plan and Design, Taskopru, Turkey.
International collaborative project \$20,000 -Principal Investigator

2014	Urban Transformation Planning and Design, Eskisehir, Turkey. International collaborative project \$15,000 -Principal Investigator
2013	Town Center Master Plan, Snellville, GA. \$5,000 -Principal Investigator
2013	Oren Town Center and Coastal Planning, Burhaniye, Turkey. International collaborative project \$8,500 -Principal Investigator
2012	City of Gurun Master Plan, Turkey. International collaborative project \$8,000 -Principal Investigator
2012	City of Erbaa Master Plan, Turkey. International collaborative project \$7,500 -Principal Investigator.
2011	Future Land Use and Development Plan for 8,636-Acre area in Newton County, GA. \$6,000 -Principal Investigator
2006 - 2009	Sustainable Community and Research Center Master Plan and Urban Design for the 850-Acre Hard Scramble site in Camden, SC. \$65,000 - Co-principal Investigator
2005	Community Plan and Urban Design for a 175-Acre site in Clemson , SC. \$2,500 -Principal Investigator
2003	Springwood and Richland Cemeteries Master Plan, Greenville, SC. \$7,700-Principal Investigator
2002	Hcer's Ridge Plantation Highway Buffer Site Plan, Myrtle Beach, SC. \$3,712-Principal Investigator
2001	Town Planning Project, Santiago Texacuango, El Salvador. \$15,000-Principal Investigator
2001	Reedy River Master Planning Project, City and County of Greenville, SC. \$84,688-Chief Designer
2000-2001	East Clemson/Issaqueena Properties Planning Study, County of Pickens, SC. \$2,500-Principal Investigator
2000	Public Works Master Plan for the City of Clemson, SC. \$750-Principal Investigator
2000	Conceptual Site Design Study for Congregation Beth Israel, Greenville, SC. \$500-Principal Investigator
1999	The Intersection of Clemson Road and Two Notch Road Landscape Design Project, Columbia, SC.

	\$15,000 - Co-investigator
1999	Residential Development Alternatives for the Morrison Elementary School Site, Clemson, SC. \$2,500- Principal Investigator
1999	Morrison Elementary Annex Site Design, Clemson, SC. \$500-Principal Investigator
1998	Travelers Rest Downtown Vision Plan and Scenic Corridor, Travelers Rest, SC. \$1,500- Principal Investigator
1998	Campus Master Plan for Technical College of the Lowcountry Beaufort, SC. \$1,500- Co- Investigator
1998	Poinsett Highway Revitalization Project, Greenville, SC. \$1,500-Principal Investigator
1998	Greenwood City/County Complex, Greenwood, SC. \$1,500-Principal Investigator
1994	Greenville Technical College Master Plans for two new campuses in Greer and Brasher, SC. \$2,500- Co-investigator

OTHER ENDEAVORS

- Photographic documentation of physical and natural environments, to use in teaching and professional practice, contains currently over 18,500 slides and more than 150,000 digital images taken from various European, Middle Eastern, Central, South and North American towns.
- Foreign travel to Austria, Belgium, Bulgaria, Canada, Chile, El Salvador, France, Germany, Greece, Hungary, Ireland, Israel, Italy, Jordan, Mexico, Romania, Russia, Sweden, Switzerland, Turkey, United Kingdom, and Yugoslavia.
- Integration of multimedia computer applications into design studios; class lectures, other presentations, and web design; computerized documentation of urban design, and landscape architectural elements, and building types by using the following digital photography CAD and image processing applications:
- Extensive knowledge of Auto CAD,, FormZ, Photoshop, InDesign, Illustrator, Acrobat, Google Earth Pro, Keynote, Aperture, Director.
- Knowledge of GIS,Final Cut Pro, iMovie, Flash, Dreamweaver, SketchUp
