Dear Students,

Advising for Spring 2020 classes is underway…I must point out how impressive your timing is! Thank you for being so prompt to your scheduled appointments AND for examining Degree Works prior to our meeting. This makes the session much more productive for both of us!

I also appreciate your patience when the person ahead of you takes a bit longer than 30 minutes. Advising needs vary from student to student. Keep in mind it’s a multi-step process – you meet with an advisor, your degree plan is discussed, you are cleared for Spring & Summer 2020 classes BUT, registration doesn’t officially open until November 8th (for priority categories). Please continue to sign up on SAGE! Thanks!

If you have specific questions about CE+D internships or scholarships, Prof. Brad Davis has the answers! Email him at: <bdavis@uga.edu>

News-worthy Stuff – Please Pay Attention!

1) Help Out – Kelsey Broich is an MLA student in the CE+D and would love your opinion on her survey research about Bio-Retention Systems. For more info, follow the link here: https://bioretentionareassurvey.sawtoothsoftware.com
2) New Minors: The CE+D now offers 2 new Minors open to non B.L.A. majors. Please share this news with your friends outside the College. One can earn a Minor in Environmental Design OR Landscape Studies. This is a great way to add the studio life to their degree.
3) Remember, the CE+D also runs 2 Certificate Programs in either Environmental Ethics (revick@uga.edu) or Historic Preservation (jreap@uga.edu) – perfect fit for BLAs!
4) No School (classes) on Friday, Nov. 1st (UGA Fall Break) – enjoy your time off/time out!
5) Thanksgiving Break is Wed., Nov. 27th-Fri. Nov. 29th. Please have a safe & fun holiday!
