Sunday
2 p.m. – 5 p.m.

Extended hours the week prior to midterm and finals
Building Access

• Doors lock at 6 pm
• 24 hour access with UGA ID card, with the exception of home football Saturdays.
• For Fall 2018, all CED buildings are closed...
  • September 7 (Murray State)
  • September 14 (Arkansas State)
  • September 21 (Notre Dame)
  • October 12 (South Carolina)
  • October 19 (Kentucky; CED Tailgate in Founders Garden)
  • November 9 (Missouri)
  • November 23 (Texas A&M)
• Please do not prop open doors or bypass locking mechanisms
Facilities

• Wireless is available in all CED buildings
• Bicycle racks are available at each building. Please do not bring bicycles into the building
• No pets (other than service animals) are allowed in the buildings
• Studio spaces have specific criteria from the Fire Marshall that must be met. Please contact a member of the Tech Staff before rearranging furniture.
• For a detailed copy of all of the Facilities Policies please see http://ced.uga.edu/tech_services/policies
General Computing Dos and Don’ts...

• Do not give your MyID password to other users, or share your login session.
• Do not use file sharing services or applications on UGA computers.
• The following may earn a visit from the Campus Police:
  • Attempting to bypass the print management system. Printing/plotting is controlled through the CED print server.
  • Taking or unloading paper/supplies from the printers/plotters.
  • Modifying CED systems (for example disconnecting cables or moving equipment)
• Please use your UGA email address when corresponding with Tech Services, as your campus-related services are tied to this address.
• Full UGA Policy on the Use of Computers is found here: http://eits.uga.edu/access_and_security/infosec/pols_regs/policies/aup/
Services

• Technology support for CED equipment
• Assistance with software: questions, troubleshooting, best practices, etc.
• Classroom / instructional space setup
• Limited support for personal equipment
• Equipment checkout
  • Surveying equipment, digital cameras, tape measures, drawing tablets, ipads, handheld GPS units, etc.
• Laser engraving / cutting
• Large format printing
• Large format scanning
• Building / file server access
Equipment

• Computer Labs: Tanner 308, Denmark 19. 4 open stations in BLA and MLA studios. All CED computers are Windows based. Instruction is provided on the Windows platform.

• All studio and lab systems are Frozen/Imaged
  • Anything saved on studio and lab computers is erased upon logoff/restart!

• Utilize portable storage, cloud storage, or any designated server resources

• OneDrive – UGA Provided 1 TB of storage. Access via https://ugamail.uga.edu

• Printers/Copiers in JSB, Tanner, & Denmark will scan up to 11x17 to email/usb device.

• 36” wide-format scanner in Tech Services

• All large format print jobs are held in que. Visit the Technology Services Print Shop for release.
